YOUR BUSINESS ADVOCATE

MAY/JUNE 2020

Dear [Recipient_Name],

A MESSAGE FROM THE CHAIRMAN OF THE BOARD

You will notice the upbeat tone of the video I did more than a couple of weeks ago for the Burbank Business Journal. This was before we knew of Mr. Floyd's senseless and violent death.

At the Burbank Chamber we strive to create an environment that is welcoming, supportive and inclusive to all. We are grateful to our Burbank Community for their peaceful protests as it was an unnerving time for many. We also know it was important to bring a spotlight to the injustices in our society. We are thankful for our Burbank Police and Fire departments for their courage and commitment to the citizens of our city.

We support all the Black owned businesses in Burbank and will do everything we can to help promote them. I have listed a few that we have had a relationship with but would like to connect with others we may not know about. Please, if you know of others, email us at info@burbankchamber.org.
