OCTOBER 2020

2020 State of the City Highlights

This year we were not able to offer the State of the City Luncheon in our typical format which gave us the opportunity to share it as a LIVE broadcast reaching a larger audience. The priority was to continue our tradition by allowing guests to participate in a virtual State of the City Reception. Thank you to our incredible moderator, Jim Babcock and our amazing panelists: Alan Hunter, President & Chief Creative Officer of Petrol Advertising - Karen Ross, Owner, Tallyrand Restaurant/Burbank Restaurants Support Group - Kelly Linden, Chief Executive, Providence St. Joseph Medical Center - Kathy Ross, President of Magnolia Park Merchants Association - who helped share how their organization has gone from surviving to thriving, reshaping how Burbank does business. Congratulations Mayor Sharon Springer for delivering a beautiful State of the City Address showcasing Burbank together, rays of light. To our valued Chamber members - thank you for being a part of this important event and for your contributions to our community.

Thank you to our generous sponsors!

This event would not be possible without the continued support.

We Remember Lynn White Shelby

The Chamber is sad to announce a dear community leader, friend and long time Chamber member Lynn White Shelby passed away.

Lynn began as a volunteer at the Boys and Girls Club 18 years ago. She started as a volunteer in the Learning Center. In 2011, she joined the board even though she was already very busy with the LA Providencia Guild for Children's Hospital. Lynn was also very active in ABWA (American Business Woman's Association) and most recently was on the Senior Board for Burbank. Lynn was retired from ACCO in Glendale and lived in Burbank with her very supportive husband Dean.

Lynn served as Boys and Girls Club Board secretary for several years and was honored at the Annual Gala in 2009 where she received the Liz Shapiro Award for her incredible volunteer contributions to the Boys & Girls Club. Lynn was referred to as the Energizer Bunny for the last few years and she had even taken to calling herself this. She did so much for this community and she will be sorely missed.
