The Burbank Chamber Welcomes New CEO Jamie Keyser-Thomas

With close to three decades of experience at The Walt Disney Company, Jamie Keyser-Thomas offers a unique blend of leadership, vision, and community support. During her Disney tenure she worked in a variety of different capacities in the areas of Real Estate and New Idea Development, Corporate Brand Management, Disney Learning Partnership, and finally Corporate Social Responsibility where she spent the past 18 years. Supporting the local business and nonprofit community is her driving force and doing this work in Burbank is her

focus.

Jamie grew up in Burbank and has a rich family legacy in this community dating back to the 1940's. Embracing new experiences and opportunities helped to shape her, but her heart always brought her back to Burbank, the community she calls home.

Commitment, integrity and building relationships is her strong suit and service to the community and helping others are her guiding principles. As the new Chief Executive Officer of the Burbank Chamber of Commerce, Jamie is excited to continue applying her creative approach to deliver outcomes that support the Burbank community in a different capacity.
