As Mayor of the City of Burbank, it is my honor and privilege to welcome you to our great city, on behalf of the Burbank residents, city employees, and the entire Burbank City Council! I hope you find this guide helpful and that you enjoy discovering the many exciting experiences and opportunities our community has to offer.

Burbank is known as the "Media Capital of the World". We are home to The Walt Disney Company, Warner Bros Studios, The Burbank Studios, Nickelodeon, Cartoon Network, ABC Studios, and KCET. These major studios are also supported by numerous small media businesses in our city that provide sound stages for music artists and a wide variety of other key services, from post-production to wardrobe and make up, all of which are essential to the industry.

While our city is a hub of entertainment industry activity, it is also a community known for retaining its small town warmth and charm, with a strong sense of community and civic pride. We have tree-lined streets where neighbors know each other by name and form life-long friendships. Our city services support both our businesses and residents. As a full-service city, we have incredibly reliable utilities, police and fire services, and our recreational facilities and programs are exceptional. Whether you find yourself at the Starlight Bowl for a live performance, take in a round of golf at our hillside DeBell Golf Course, play tennis at the Burbank Tennis Center, or just take a relaxing stroll in one of our many parks, Burbank has much to offer that will keep you busy and feeling our friendly community spirit!

Burbank is also home to exciting shopping and dining venues. You can visit the Empire Center, the Burbank Town Center, IKEA or simply take a walk through downtown Burbank to peruse its theaters and shops. Take a stroll in tree-lined Magnolia Park, or visit the Burbank Boulevard shopping area. Even going for a drive along Riverside Drive offers a unique experience and plenty of beautiful scenery!

Burbank is known for its exceptional schools, its close-knit neighborhoods and its excellent city services. Our businesses and our neighborhoods stand out for their quality and variety. We treasure our unique and varied community, from the Rancho area where you will encounter horse riders in the streets, to the Media District where you will find The Walt Disney Company and Warner Bros, to the flatlands and the Verdugo Hillside where you will see pleasant streets with a spectacular view. Burbank is a community that has something for everyone!

### Education

The Burbank public schools are prominent in the life of the Burbank community. Educational programs and services are provided on a daily basis for all ages preschool to adult. More than 15,100 resident students are served by the eleven elementary schools, three middle schools, two comprehensive high schools, the continuation high school, the Independent Learning Academy, the community day school, the adult school, and a specialized children’s center.

The District is proud of its 103 years of history in educating students from across the generations. The achievements of the schools and the contributions they make to the community are legendary. All of this is possible because of the efforts of a dedicated staff of over 1,700 employees who teach and manage the instructional programs, oversee business operations, and maintain the District’s facilities.

A five-member elected Board annually establishes goals for the District that maintains a focus on the core mission which is to provide a top quality education for all students.
